25<sup>th</sup> May 2021

Dear Parents/ Carers

Primary 5,6 & 7 children will visit the YMCA in Newcastle on Wednesday 9<sup>th</sup> June for their end of year school trip.

The cost will be £40.00 per child (£30 for a second child) to cover the cost of staffing and activities at the centre as well as transport to and from Newcastle. We appreciate that this is quite an expensive trip and the school is subsidising part of the cost.

During the day, the children will get to experience paddle boarding, a zip line and climbing wall.

We believe that this will be a really beneficial day for the children and represents great value for money for what will be a fun packed day.

Children will need to bring a complete change of clothes, including footwear as they will almost definitely get wet. They will also need a towel and their packed lunch as well as a healthy break and plenty of water.

Children will need to have sun screen applied before leaving home and it would also be advisable to pack a lightweight coat in case the weather changes.

Please return reply slip below by Friday 4<sup>th</sup> June.

Yours sincerely

Mrs F Macfarlane  
Principal

---

I/We give permission for \_\_\_\_\_ to go to YMCA in Newcastle on Wednesday 9<sup>th</sup> June.

I enclose £40 towards the cost of the trip.

Signed: \_\_\_\_\_
